PROGRAM DETAILS:

1. Your PRO Program provides 37 common ACUTE and 95 ACA/MEC medications free of charge.
2. You may pick-up your prescription medication at the retail pharmacy of your choice (70,000 in our network).
3. Only certain doses and quantities for each medication are offered through this program.
4. After your first retail purchase, all CHRONIC medications must be filled through mail-order. Our team will contact you and help transfer your prescription.
5. Your subscription also provides access to 1000's of other medications starting at just \$10.00.
6. You also have exclusive access to our Diabetic Supply, International Pharmacy and Prescription Assistance Programs.

HOW THIS PROGRAM WORKS:

1. Search for medications by entering drug name in search bar. The price will be displayed.
2. If you are needing a medication immediately, utilize our retail pickup. Over 70,000 pharmacies are in our network. The site will prompt you through your order.
3. If you can wait up to 10 days, mail-order is your most cost-effective option. Click on mail-order and the site will prompt you through your order.
4. Reorders will be processed every 90 days for all mail-order prescriptions.

A valid prescription is required for all medications. Mail-order is fulfilled by our partner pharmacies and is subject to change without notice.

This a Pharmacy Subscription Program. THIS IS NOT INSURANCE. We provide you direct access to medications at negotiated PBM pricing, and Home Delivery Pharmacy pricing on a pre-paid basis. Your Rx Card offers solutions for high-priced specialty medications via an International Pharmacy or PAP service. In addition, a discount pharmacy solution is available, where you search discount options and are directed to a specific pharmacy for super-low pricing. Sometimes, this can be your lowest price option. Only certain doses and quantities for each medication are offered through this program.

Your Rx Card is NOT Insurance. Discount Only – Discounts are available exclusively through participating pharmacies. The range of the discounts will vary depending on the type of prescription and the pharmacy chosen. This part of the program does not make payments directly to pharmacies. Members are required to pay for all prescription purchases. Cannot be used in conjunction with insurance. You may contact customer care anytime with questions or concerns, to cancel your registration, or to obtain further information. This program is administered by Medical Security Card Company, LLC, Tucson, AZ.

Pricing, program details and formularies are subject to change without notice. Members must log in to see complete program pricing and details.
